**LADIES' FAIR.**—The fair to be given by the ladies of Golden Light Lodge, No. 337, I. O. G. T., at Armory Hall, commencing on Monday next and continuing one week, promises to be a success.

The committee has used every available means for the purpose of making this undertaking a success; and the citizens of Alexandria can rest assured that if they attend this fair they will be highly entertained, as well as help the temperance cause. The main contributions to this fair will be advertised in this paper Monday evening.

Mrs. Fitzpatrick and daughter, who left her shortly after the breaking out of the late war, are in the city, the guests of Mrs. J. T. Hill. He weighed 275 lbs., but had no trouble in fitting himself at Henry Strauss's where can be found a variety of fine clothing for large men.

**THE STONEBRAKER CHEMICAL COMPANY.**—Gentlemen: In my honest opinion I believe the genuine Stonebraker's Liniment (of which the Stonebraker Chemical Co. are sole proprietors) is undoubtedly the best pain cure in the world. I have used other preparations that were recommended to me, some of which produced temporary relief, but I never in all my life used a remedy so sure, so positive, so soothing and penetrating as Stonebraker's Liniment. I have used it on both human and horse flesh, with the most flattering results. It cured every time. May its sales continue to increase until every suffering creature in the world is healed by its wonderful curative properties. It is the sincere wish of yours respectfully, J. M. MURPHY, 59 H St. n. e.

Our \$9.50 Chinchilla Overcoat beats anything ever before shown for the money.

HENRY STRAUSS, 304 King street.

Four Thousand Dollars in one Year.

One firm alone, the past year, has sold \$4,000 of Hawks' new Crystalized Lenses and previous to handling these celebrated glasses their sales of other spectacles were about one hundred and fifty dollars. Dealers who had given up dealing in glasses, giving as an excuse that there was no money in them, are now handling Hawks' New Crystalized Lenses and Patent Spring Eye-glasses with wonderful success. When a customer buys a pair of the celebrated glasses he will never use any other kind, as they act like a charm upon the organs of vision.

She bought of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose that she slept all night, and with one bottle has been miraculously cured.
